“As the year comes to a close, it is a time for reflection – a time to release old thoughts and beliefs and forgive old hurts. Whatever has happened in the past year, the New Year brings fresh beginnings. Exciting new experiences and relationships await. Let us be thankful for the blessings of the past and the promise of the future.”  
 – Peggy Toney Horton

Let me encourage everyone to renew your strong commitment to our Great God! Year 2016 has been so wonderful in our lives and let us thank God for all the blessings. As we approach this NEW YEAR, let us renew our commitment to God, let us continue serving Him faithfully and may we live this year close to his precepts, closer to Him, safe and contented in all aspects. Do not treat this year like the old year. Treat it with gladness and a heart always so thankful unto God.

To those who had some troubles in the past, you survived and should also be looking forward to the coming year. If you have been so blessed, make this year that you can be a blessing also to others. Show the Love of God to others through you. This will be a wonderful opportunity for you. Spend more time with your family. Use this time to make all members of your family closer to God. Pray with your family. First thing first - Prayer with thankful heart will mean a lot to you, to your children and to God. Pray!

Happy New Year to ALL!
