Today as we approach the year end, I encourage you brethren to look back at the years and THANK GOD that we survive another year like the past years. Year 2016 is a year full of trials and challenges. However, a saying says; "Count each day you wake up as the luckiest day of your life. Many will not see this sunrise, but you will and you have God to thank for this day (Author unknown).

One way to show Christian life to people is to say that it is made up of contradictions. That means that there are things in our lives that don't seem to make sense, don't seem to fit with other things in our lives. And yet we Christians have seen enough of God's power and wisdom and love that we believe with good reason that the paradoxes of our lives really do fit together in God's mind, even if we can't always figure them out now.

Malika E. Nura says; "Be thankful for all the struggles you go through. They make you stronger, wiser and humble. Don't let it break you. Let it make you, mould and shape you." Apostle Paul says to the Christians; "See then that ye walk circum-spectly, not as fools, but as wise, redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is. And be not drunk with wine, wherein is excess; but be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ; (Ephesians 5:15-20)

If we look at your lives compared to the rich Bill Gates, we may see it as bad and miserable. However, if we look the other way around compared to the citizens of Syria, we can rejoice and have so many things to be thankful as we are so blessed in many ways. Let me encourage you today to be thankful to God for whatever we have in Life, because there are people who are more in need but never could get it.
