Jesus is the Bread of Life

By David Cariaga

Having food is a good way in the Philippines to get people closer together. There is not much food to eat among our people especially to the poorest, but food preparation is something that we all enjoy feasting together. A family can gather so easily when there is food to eat. Family and relatives can be closer starting from the feasting and talking with one another. This might also be the case here in Canada.

Moving from the thought of satisfying the physical hunger to spiritual hunger, I think of the words of Jesus saying “ I am the living bread that came down from heaven. Whoever eats this bread will live forever” (John 6:58).

Many of us can say, ”Once I was spiritually hungry and spiritually starving because of the burden of my sins. I longed for the good news to help me. Someone told me where to find the solution as I was hungry and starving spiritually: in Jesus only. And my life changed!”

When we place our trust and faith in God to forgive our sins, we receive an eternal inheritance through Jesus. Jesus assured us through His word. Because of this assurance, we will live forever and never will we be hungry anymore or run short of what we need and we will live forever.

Romans 16:16
Salute one another with a holy kiss. All the churches of Christ salute you.
